

Erasmus+ Strategic Partnership project «Online Study Platform on Mediation»
Project number: 2016-1-LV01-KA203-022660

INVITATION TO WATCH ON-LINE STREAM

International Conference „Gains and Benefits of Mediation in Modern World of Dispute Resolution”

Turība University from Latvia is hosting the international conference „Gains and Benefits of Mediation in Modern World of Dispute Resolution” on April 11, 2019 on topical mediation issues.

The conference will bring together speakers from eight countries - Latvia, Lithuania, Poland, the Czech Republic, Austria, Italy, Bulgaria and Georgia, who will present practical and academically important aspects of mediation in today's dispute settlement world. This will be one of the largest mediation events of the year. Conference is gala event for the Erasmus+ Strategic Partnership project “Online Study Platform on Mediation”.

**We invite you to watch on-line stream on 11th of April
from 9:30 until 16:00**

on project Facebook page:
